First Things

2026 Prayer Walk

As part of our commitment to keep first things first by sharing Christ with our community, families from our church gathered on Saturday, August 1, to prayer walk several local schools across Paulding County, including Poole Elementary and Northside Elementary. Together, we prayed for students, teachers, administrators, staff, and families as they prepare for a new school year, asking God to provide His protection, wisdom, peace, and encouragement. Thank you to everyone who participated in this meaningful opportunity to support our schools through prayer. We encourage our church family to continue lifting up our local schools throughout the year as we seek to be the hands and feet of Christ in our community.
